Donna's superb workshop is so timely for municipal managers. Thank you, Donna for providing us with wonderful insight and very practical suggestions as to how to help our elected officials move beyond partisan politics.

~Julia Griffin
President of the New Hampshire
Municipal and Town
Managers Association

Donna Zajonc's talk was perfectly suited for our group of 150 locally elected officials. When she spoke, the group did more than listen. They laughed, they interacted and many took notes. There's no doubt those who attended will return to their respective communities with renewed energy and a fresh perspective as a direct result of Donna's message.

We especially appreciated how easy it was to work with Donna. She was very accessible prior to the conference and she did a great job of customizing the program to the needs of our group. Her flexibility was integral to the success of our event.
